For sale is a large building plot measuring 6,292 square meters, located in the sought-after area of Agios Tychon. This impressive plot offers a wonderful opportunity for those looking to build their dream home or invest in a promising location. The generous size allows for flexible architectural designs, ample outdoor spaces, and beautiful landscaping possibilities.

Agios Tychon is a respected seaside community known for its quiet ambiance and attractive surroundings. The area offers a blend of modern amenities, including shops, cafes, and restaurants, along with easy access to sandy beaches and scenic coastal walks. Residents enjoy a peaceful environment while being just a short drive from the vibrant city center, making it an ideal location for both family living and holiday homes.

This plot presents an excellent chance to develop multiple homes or a considerable investment in one of the most desirable neighborhoods. The area's favorable climate and convenient location further enhance its appeal.
