Prime 514 m2 Residential Plot in Katholiki

€1,000,000

 Katholiki, Limassol

Positioned in the established and highly desirable district of Katholiki, this prime 514 m2 residential building plot presents an exceptional opportunity to create an inspiring new address in Cyprus. Offering generous proportions and an enviable setting, this substantial parcel provides the ideal blank canvas to bring a bespoke architectural vision to life.

With ample space to accommodate sophisticated architectural designs, the plot allows future owners the freedom to craft generous indoor-outdoor living areas, private landscaped gardens, and tailored spaces that suit contemporary routines. Whether designing an exclusive private residence or an upscale boutique development, the setting offers both prestige and enduring residential appeal.

Everyday convenience is assured, with Katholiki placing neighborhood shops, local dining, and daily services within effortless reach. Take the next step toward realizing your vision by contacting Nest & Co today to discuss the
